2023

## Prevention + Recovery = Hope

## The Minnesota Conference on Problem Gambling September 18, 2023

Hilton Minneapolis/Bloomington, 3900 American Blvd W., Bloomington, MN 55437  
CEU Credits Available

### Connecting. Reflecting. Moving Forward.

The MNAPG conference will feature presenters from across the country and Canada sharing their perspectives as clinicians, financial advisors, people in recovery and researchers. It will be a great way to network with others committed to minimizing the harms caused by gambling disorder and to learn more about recent trends and new tools available for those who need help.

**Who Should Attend?** The conference is appropriate for addiction counselors and therapists, social workers, law enforcement, school and church leaders, other health care and social service workers, lawyers, financial professionals, people in recovery and their families. CEU credits are available from various Minnesota professional licensing boards.

### Keynote Presentation:

#### Working with Clients and Gambling Harms: Why it Matters and How to Lower Resistance to Treatment

*Jay Robinson, M, Ed. CPGC.*

Other topics include:

- The public health impact of sports betting expansion
- Financial counseling resources for those in recovery from gambling addiction
- The stigma of gambling addiction
- Affordability guidelines for online gamblers
- A live episode of *The Addicted Gambler's Podcast*, featuring discussion from those with lived experience.
